Terms and Conditions

I certify that I am an APS customer, and that the pool pump or timer for which I am applying for a rebate will be installed at the address identified above. I further certify that I have read and understand all program requirements, terms, and conditions. I also agree that the party who installs the pool pump or timer and performs any other services on my property associated with this rebate application is solely responsible for the performance of their work. It is understood and agreed that neither the party from whom I am purchasing the pool pump or timer nor the party installing the pool pump or timer on my property are agents, servants, or employees of APS. I hereby indemnify and hold harmless APS, its officers, directors, employees, agents, representatives, affiliates, successors, and assigns from any liability cost, or expense, including reasonable attorney's fees and legal costs, arising out of or resulting from the pool pump or timer and/or any services related to the pool pump or timer's installation. I further certify that all information provided herein is accurate to the best of my knowledge, that APS may verify the accuracy of all information, and that all installations are subject to random inspections by APS or an authorized representative of APS.

Third Party Rebate Assignment Authorization (If applicable)

I hereby authorize APS to transfer any rebate that I may be entitled to under the Energy Efficient Pools Rebate Program directly to the third party named below from whom I purchased the pool pump or timer (the "Assignee"). The Assignee will discount the price of the pool pump or timer by the amount of the rebate that is being transferred. I understand that I will receive no additional rebates or incentives from APS. By signing below, the Assignee certifies that it has reviewed the customer's APS bill to confirm that the address identified above is eligible to receive a pool pump or timer rebate.

Pool Pump and Timer Rebate Form

Program Terms & Conditions

You must be an APS residential electric customer.

Pool must be located in APS' service territory.

Pump or timer must be installed on a single family residential, in-ground swimming pool.

Pump must be a qualifying new unit.

Rebuilt motors do not qualify.

If you applied for a variable-speed pump rebate, you are not eligible to receive a timer rebate.

Timer must be installed on a single or two-speed pump.

Generally limited to one pump rebate per household, a second pump rebate is subject to inspection.

The program will end when funds expire.

NOTE: All variable-speed pool pumps must be calibrated after installation and calibration report must be submitted. The APS customer should not be charged for the calibration.

For official use only
