## PROGRAM TERMS AND CONDITIONS

To participate in the SRP Energy-Efficient Pools Program, the following conditions apply:

- The homeowner must be a current SRP residential electric customer.
- The pool pump must be a qualifying, new variable-speed unit. Replacement motors do not qualify.
- The pool pump must be installed on a single-family residential, in-ground swimming pool in SRP service territory.
- The pool pump must be calibrated after installation by an SRP-qualified pool professional.
- There is a limit of one pool pump rebate per address.
- The homeowner must abide by the rules and rebate levels in effect at the date the pool pump was installed.
- For current program requirements, go to [savewithsrp.com](http://savewithsrp.com) or call the SRP Energy-Efficient Pools Program line at (602) 236-9606.
- Program procedures, requirements and rebate levels are subject to change or cancellation without notice.
- Failure to provide any of the required information, including signatures, will result in the denial of the pool pump rebate.

The rebate application, invoice and calibration report must be submitted through the SRP rebate portal within six months of the pump purchase date to be eligible for payment.

## REBATE ASSIGNMENT AUTHORIZATION

I certify that I am an SRP residential electric customer at the above service address. I further certify that I have read and understand all program requirements, terms and conditions. I agree that the contracting company that installs the pool pump at my home and performs any other services on my property associated with this rebate application is solely responsible for the performance of its work. I understand and agree that the contracting company and the party from whom I am purchasing the pool pump are not agents, servants or employees of SRP. I agree that neither SRP nor its officers, directors, employees, agents, representatives, affiliates, successors and assigns will be responsible or liable for any claims arising out of or resulting from the pool pump's and contracting company's performance.

I hereby authorize SRP to transfer any rebate that I may be entitled to under the Energy-Efficient Pools Program directly to the third party named below, from which I purchased the pool pump. The third party will discount the price of the pool pump by the amount of the rebate that is being transferred. I understand that I will receive no additional rebates or incentives from SRP related to this purchase. I certify that all information provided herein is accurate to the best of my knowledge, that SRP may verify the accuracy of all information and that all installations are subject to random inspections by SRP or an authorized third party. By signing below, the pool contracting company certifies that it has reviewed the customer's SRP bill to confirm that this installation is eligible to receive a rebate at the address shown above.

### PROGRAM TERMS AND CONDITIONS

By signing below, I certify that I am an SRP-program-approved pool professional who has completed the requirements of the variable-speed pump calibration training course and that I have personally performed the calibration as per proper guidelines. As such, I accept full responsibility for my work. I further certify that I have read and understand all program terms and conditions listed on this form and that I have not

and will not charge the SRP customer for the pump calibration or submission of this report. I understand the pool owner must be an SRP customer and the pool must be in SRP service territory. I certify that all information is accurate to the best of my knowledge, that SRP may verify the accuracy of all information provided and that all installations are subject to random inspections by SRP or an authorized third party.

Service Technician Signature: \_\_\_\_\_ Date: \_\_\_\_\_

By signing below, I certify that I am an SRP customer at the address identified on this form and I acknowledge that I have read and agreed to all program terms and conditions. I also agree that the pool contracting company that performed the services on my property associated with this program is solely responsible for the performance of its work. It is understood and agreed that the pool contracting company is not an agent, a servant or an employee of SRP and is retained by me as an independent contractor.

I indemnify and hold harmless SRP and its officers, directors, employees, agents, representatives, affiliates, successors and assigns from any liability, cost or expense, including reasonable attorney's fees and legal costs, arising or resulting from the contractor's performance. I also acknowledge that the contractor has not charged me for the pump calibration service or submission of this report.

SRP will require the customer to allow a program representative access to inspect the job within a reasonable notification time frame.
